

2200 SERIES

# MONTCLAIR

The #2200 Series is an extremely durable, practical line of furniture. Available in solid oak, solid maple with natural wood veneers and high pressure plastic laminates. Construction utilizes solid hardwoods with internal framing and traditional finger dovetail drawer assemblies. Custom size units and a variety of finishes are available on a quantity basis. Many different kinds of beds, wall units and wardrobes are available in this line to fit varying needs and storage situations.
